

Burton Leonard Junior Football Club

West Riding FA Affiliated Charter Standard Club

Members' Welcome Pack 2020 / 2021 Season

Welcome to Burton Bullets Junior Football Club

We have come a long way since 2004 when 9 children and 2 coaches met on Saturday mornings on the village sportsfield and managed a few friendly games with neighbouring villages. In 2005, we set about with some other like-minded villages to form the "Nidderdale Junior Football League". The founding member villages were Burton Leonard, Hampsthwaite, Tockwith, Ripley & Scotton. We all decided to go down this route rather than joining one of the Harrogate leagues as what was important to us all was being in full control of the ethos & spirit of the league.

The club continued to develop over the next 5 years with more children joining and parents getting involved with coaching and by then was very much part of the village. In January 2010 we took the step of putting in place all the required coaching personnel and procedures to enable Burton Bullets to apply for and achieve FA Charter Standard Status. This provides recognition that the club is sustainable and well-run with child protection and safety paramount. FA Charter Standard Status also recognises the club's commitment to coaching players and raising standards of behaviour in the game, together with continued training and development of the volunteer coaches.

Last year the club had over 60 children registered and 7 dedicated coaches, 4 of whom have achieved FA Level 1 or 2 status. In the 2020/21 season we propose to have teams playing matches in the following age groups: Under 7's, Under 8's, Under 9's, Under 10's and Under 11's.

The club will continue to play in the Nidderdale League, which in the 2020/21 season comprises the following teams:

Burton Bullets

Kirkby Malzeard Lions

Scotton Scorchers

Pateley Bridge

Hampsthwaite & Birstwith

Tockwith

Ripley Rockets

Green Hammerton

We look forward to an enjoyable and successful season and always welcome new players, coaches or volunteers to join the club.

Club Ethos

This welcome pack is intended to provide you with details about our philosophy as a club, informing you of what we can offer you and your child and what we as a club ask in return. It is important that parents and children appreciate that joining an FA-affiliated club is a step up from a kick about in the park.

We follow the guidance of the FA as per the FA Youth Policy and our sessions are run by qualified coaches, aiming to help children become the best footballers they can be. All our coaches and officials sign up to the FA respect code relevant to their role.

Whilst we want children to have a good time, we must insist that respect is shown to coaches and club rules are adhered to and we ask that all children and parents sign up to the FA Respect Codes when signing up to our Code of Conduct.

<http://www.thefa.com/get-involved/coach/respect/play-your-part>

Having fun and being safe is our ethos

We endeavor to provide football for all children irrespective of ability in a safe, friendly environment. The club will always do its utmost to ensure the children have fun and are safe from bullying and offensive behaviour. In return we ask that the children listen to the coaches and follow their instructions.

We will always focus on the needs of the children and ensure that they:

- Enjoy the game
- Take an active part whatever their ability
- Learn to play as a team
- Develop fitness and soccer skills
- Respect officials, coaches, team mates and opposing players.

We welcome parents at training sessions and matches. However we ask that they only provide positive support from the touchlines and do not coach or criticise any of the children (in particular their own) during training or matches as this can confuse and upset children; it is also disrespectful to the coach and can annoy other parents. We welcome feedback from parents and would encourage you to raise any queries you may have with the coach or a club official. This should be done outside of a game or training session in a non-confrontational manner please.

Should you ever have any concerns with regard to the welfare of a child, please do not hesitate to contact the club welfare officer. Contact details for all club officials and coaches are provided within this Welcome Pack.

Covid-19 Pandemic Restrictions

The FA have introduced Covid-19 guidelines as a result of the global pandemic which forced the 2019/20 season to end abruptly. The current guidelines (as at Aug 2020) state that:

- Competitive training can take place in an outdoor setting in separate groups of no more than 30 (including coaches).
- Competitive match play is also permitted but social distancing must be in place before and after the session.
- Youth football coaches are encouraged to limit persistent close proximity of participants during match play and training.
- The sharing of kit and equipment should be avoided and participants should bring their own drinks or refreshments, in named containers.
- When the ball goes out of play, it should not be retrieved by non-participants and should be retrieved using the feet rather than the hands where possible.
- Participants must not spit and should avoid shouting or raising their voices when facing each other, as detailed in The FA Covid-19 Code of Behaviour.
- Set plays: players are encouraged to avoid unnecessarily long set-up or close marking. Other modifications apply to specific situations, such as goal celebrations being discouraged. Read more in The FA's more detailed guidance here.
- Observing rigorous hygiene standards, injuries can be treated. See full guidance here. • Spectator groups should be limited to six people per group and spread out in line with wider Government guidance.
- Small-sided football should include more regular hygiene breaks in activity and players discouraged from touching or tackling against boards.
- There are also additional DBS requirements so we need at least 2 DBS checked adults at each session under the new guidelines.

The Club has produced a Covid 19 risk assessment which all parents should review prior to attending their first session. This can be viewed on the club website www.burtonbullets.co.uk

All parents will also be required to complete a registration form which includes Parent's confirming their consent for their child to attend sessions during the Covid-19 pandemic.

Doing Your Bit

Burton Bullets football club is run entirely by volunteers and needs parents of all the players to consider how best they can contribute their time to support the running of the club. It's great fun, sociable and rewarding, so do please speak to any of the club coaches to ask how you can get involved.

If you are interested in helping with coaching or just assisting on match days, the club will fund all necessary courses and will provide full support. All coaches and assistants will need to undergo Disclosure and Barring Service (DBS) safeguarding checks.

Ways you can help out include:

- Becoming a coach or team assistant
- Setting up goals, cordons and other equipment for training and matches
- Team admin (website maintenance, treasurer, fixture secretary)
- Joining the club committee
- Manning the kitchen on match days (serving teas, coffees and bacon butties)

All parents are encouraged to contribute a few hours of their time every season.

Please ask any of the coaches how you can help or contact:

kevin.greveson@telefonica.com or speak directly to Kev Greveson (07803 291524)

Nidderdale Junior Football League

The club was a founder member of the Nidderdale Junior Football League. The league was originally set up by the villages of Ripley, Hampsthwaite, Scotton, Tockwith, Pateley Bridge and Burton Leonard to facilitate friendly football matches for children between ages 5 and 11.

The FA has a rule that at all age groups up to U11 should not publish league tables or scores. This is to encourage more children to stay within the game moving emphasis away from results and towards enjoyment and long term player development. It is important that all parents understand this from the outset and that at Burton Leonard Bullets and all of the other clubs in the Nidderdale League that we all place enjoyment and player development ahead of a win-at-all-costs mentality giving all players the opportunity to have meaningful game time, rather than be standing on the touchline for the whole game.

There are simple ways in which parents can also help in the development of early years players; the easiest comes straight after the game. Instead of asking "Did you win?" perhaps try asking "Did you enjoy the game?" and instead of asking "Did you score?" perhaps ask "Tell me what happened?" or "What did you enjoy the best?"

In terms of our youngest U7 age group. Although we are happy for children from reception school age (5 years old) to join in the training sessions under FA rules children are not allowed to play in any league competition matches until they reach the age of 6. The relevant age for each player is determined by his or her age as at midnight on 31 August of the relevant Playing Season i.e. children who are aged 6 as at midnight on 31 August in a playing season (together with those who attain the age of 6 during the playing season) will be classed as Under 7 players for that playing season.

We are happy for any players under this age bracket to attend all training sessions but only children in Year 1 & 2 can play in the Under 7 matches and will be issued with a match day kit. Any younger players (i.e. below Year 1 / 6 years old on Aug 30th) will take part in a friendly training session on scheduled match days, these could be mixed friendly games with similar younger players from the other club.

Full details of the Nidderdale Junior Football League Ethos and Rules can be found on the Burton Bullets website.

FA Affiliation

Both the Nidderdale League and Burton Bullets are affiliated to West Riding County FA who are the governing body responsible for administering all Association Football in the local area.

Matches and Training

Matches and Training sessions commence at 9.30am on a Saturday morning and finish at 11am. We hold one session a week comprising either a scheduled match or a training session.

We ask that all players arrive at the ground ready for training sessions or matches at 9.15am.

All home matches and most training sessions take place at:

**Burton Leonard Sportsfield,
High Peter Lane,
Burton Leonard
HG3 3RZ**

We have not held indoor training sessions at Ripon Grammar School sports hall for the past two seasons as the sportsfield had remained largely playable. This will be reviewed annually and if we choose it the arrangement enables us to continue our sessions throughout the winter regardless of weather conditions.

Match and Training Notifications

The fixture list for the season will be available to view on our website www.burtonbullets.co.uk

We advise parents of any matches a week in advance and also issue match and training notifications requesting we are advised of availability using Teamer and WhatsApp notifications. It is essential that all parents register with Teamer and WhatsApp to receive these notifications, especially when the weather changes and matches or training may have to be cancelled. All registered mobile numbers will be registered to the Burton Bullets JFC WhatsApp group, please notify us should you preferred mobile contact number change.

PRIVACY NOTICE - Burton Leonard Junior Football Club (BLJFC)

This privacy notice explains how we use any personal information we collect about you (the parents or guardians and your child the 'player').

Privacy Notice

Burton Leonard Junior Football Club is committed to protecting and processing your personal data in accordance with the General Data Protection Regulations and the Data Protection Act 2018 (the legislation). For the purpose of the legislation and your personal data, Burton Leonard Junior Football Club is the Data Controller. Mr Kevin Greveson (Club Chairman and Registration/Fixture Secretary) is the Data Processor.

The General Data Protection Regulations are to safeguard your personally identifiable information or personal data. This privacy notice will be regularly reviewed and updated.

What information do we collect about you and the player?

We collect information about you and the player, when you first express an interest in the player joining the club and join the waiting list for a place. This information comprises contact details, child's name and date of birth. We then collect further, more detailed information when the player is offered a place. This data is captured on the player registration form. This information relates to your child's personal details (name, school, school year and date of birth plus any health issues of which we should be aware) plus details of primary contacts in case of emergency.

Information relating to usage of our website is collected using cookies. These are text files placed on your computer to collect standard internet log information and visitor behaviour information.

Why do we need to collect and use your personal data and that of the player?

The primary legal basis that we intend to use for the processing of data is for the performance of effectively running a small football club. The information that we collect about you and the player is essential for us to be able to carry out the services that you require from us effectively. Without collecting personal data we'd also be unable to fulfil our obligations to you, the player and the FA which include safeguarding and ensuring the health and safety of the player, registering the player with the FA and the effective communication of matches and training sessions and other club information to parents and guardians.

Where special category data, such as the player's health information, is required we'll obtain your explicit consent in order to collect and process this information.

How will we use the information about you and the player?

We maintain a register of all players at the club which includes the player's name, date of birth and address, any medical conditions of which the club should be aware and emergency contact details. This is held on a secure, password-protected platform and only accessible by the Club Secretary and Chairman. The register also indicates whether player registration forms and subs have been received for each player so assists with our administration and ensuring completeness of income.

Each coach receives an abridged version of this register with player full name, emergency contacts and medical conditions of which they should be aware to ensure that their health and safety is guarded.

Finally, each football club which is affiliated to the FA must register players with the FA via their Whole Game System portal. This data is processed by the Club Secretary based on the Player Registration Forms and comprises the child's name, address and date of birth. The data held on the Whole Game System is subject to FA's data protection policies and, should you have queries in this regard or require any further information, please contact the West Riding FA on 0113 2821222.

Who might we share your information with?

If you agree, we may email you about club events and news that we think may be of interest to you.

We won't share your information for marketing purposes with companies outside of the club.

How long do we keep hold of your information?

Your personal data shouldn't be held for longer than is required, which for BLJFC is the length of time that the player is registered with BLJFC. Once the player leaves the club all of the data relating to you and the player will be deleted.

You have the right to request deletion of your personal data and/or that of the player and we will comply with this request.

How can I access the information you hold about me?

You have the right to request a copy of the information that we hold about you or the player. If you would like a copy of some or all of the personal information held please email Kevin Greveson at kevin.greveson@telefonica.com

When the personal data is processed by automated means you have the right to ask us to move your personal data or that of the player to another organisation for their use.

We have an obligation to ensure that your personal information and that of the player is accurate and up to date. Please ask us to correct or remove any information that you think is incorrect.

You have a right at any time to stop us from contacting you for marketing purposes. If you no longer wish to be contacted for marketing purposes, please email Kevin Greveson at kevin.greveson@telefonica.com
