If you have a problem in your area, but don't want to talk to police, pass information to Crime stoppers your call is confidential and you will not be asked for your details.

### What's been happening?

#### ASB Nightingale House

Following an increase in ASB in Nightingale House from residents we increased patrols and resources to deal with the issues of youths hanging around this led to a increase in Anti-social behaviour

Warnings and led to the team issuing Eight (8) further ASB warnings this month and issuing Two (2) out of three (3) Community Protection Warnings. The third is waiting to be issued. This has given the message out to the people causing ASB not to attend the area.

#### Vehicle ASB Warning

There has been an increase in vehicle Anti-Social Behaviour (ASB) in St Katharines and Wapping. To combat this we have been sending out ASB Warning letters to the registered keeper. So far we have given Eight (8) ASB warnings in October/November 2020. These have been issued to prevent further ASB and have been quite effective.

#### Winter Nights

Winter Nights Patrols initiatives — These will be conducted on the weekends to reduce the ASB wards during the holiday period

#### Bicycle Marking

Following a rise in bike theft on the ward we advise to use bike register to register your bicycle

<https://www.bikeregister.com>

#### Property Marking

Please register your property anything that has a serial number on
