## ORBEA PARTNER CONDITIONS

- A maximum of 2 bikes may be purchased per employee per season.
- The employee purchase program is intended exclusively for the personal use of employees who are currently working full time at any of our dealers. This program does not apply to friends or relatives and may not be used for product resale.
- In order to request these bikes, it is essential to complete this form, which can only be processed through your Orbea sales representative.
- This form must be signed by the store manager, the employee and Orbea's representative before the purchase is made.
- The employee promises not to sell this product for a period of one year from the date of delivery.
- No employee bike discounts will be given on bikes that are already in stock in the store. The payment method for these bikes will be the normal payment method of each store.
- The bike serial number must be registered upon receipt and delivery of the bike to the employee.
- No changes, additions or deletions will be accepted once the purchase order has been processed.
- Any upgrades to partner bikes are charged at normal dealer price.
