Hay Shire Council sacks general manager Amanda Spalding after vote of no-confidence

Petition

- The Petition of the citizens of Hay Shire, NSW
- Brings to the attention of the House the breakdown of relationships between Hay Shire Council and the community of the Shire as a result of Council condoning the behaviour of former General Manager, Allen Dwyer, including corruption and fraud in the misuse of the Council's corporate credit card for many years, and sacking General Manager Amanda Spalding for disclosing corruption and fraud to ICAC and the NSW Police.
- The undersigned petitioners therefore ask the Legislative Assembly to sack Hay Shire Council and appoint an Administrator and conduct a full investigation into the alleged corruption perpetrated by Allen Dwyer and the unfair dismissal of Amanda Spalding.
