## President Jan's Weekly Words ...

### President's News

11 Rotarians plus friends and partners attended Ryde TAFE on Tuesday night. The students were extremely efficient serving us with our drinks and meal. We had 5 courses, starting with a delightful soup that was served in a small glass, alternate entrees, mains and desserts, followed by Petit Fours and coffee all for \$35.00. Thank you Marie for organising the evening, I am sure everyone who attended enjoyed the meal and friendship.

It has been wonderful to have the rain over the last two to three days; unfortunately OZ tag was cancelled. The OZ Tag BBQ was a success last Friday, and it was lovely to see Rotarians from the Philippines assisting with the BBQ.

Four Rotarians from the Philippines came over especially to support the fundraiser held last Saturday Night, "Swing into Spring". Liz & Hans hosted Jake for the week and was taken to watch the finals game at Bank West stadium last Sunday afternoon. The atmosphere was apparently electric and he thoroughly enjoyed the afternoons footy along with all the Eels supporters.

On Saturday evening, Mentie, Hoda, Joyce, Jennifer & I attended the "Diabetes Alive" event at Canterbury Leagues Club. Through this program, we donated \$3,000 towards an insulin pump that was given to a worthy recipient Ashley McLean. She spoke well and we were able to meet up with her and her mother. We hope that she will come along to speak to the club in the near future.

Tonight we welcome our District Governor Kalma McLellen.

We will be needing help in the coming weeks for Oztag on Friday evenings and Hills Community Aid on Monday 30th Sep.

Each BBQ needs 4-5 volunteers so please come along and lend a hand.

## ROMAC update - Roselyn Jatobatu

In October 2015, 17-year-old Roselyn came to Australia from the Solomon Islands for a life-saving heart operation under the care of ROMAC. She was accompanied by her mother Anna and they were hosted by Liz and Hans Rupp of the Rotary Club of Glenhaven.

Prior to surgery, Roselyn was coping with life-limiting breathlessness and fatigue, facing an uncertain future due to her serious congenital heart condition. Roselyn was operated on at the Sydney Adventist Hospital (the San) in Wahroonga by cardiothoracic surgeon Dr Ian Nicholson and his team. Roselyn had a positive attitude and progressed well post-operation.

Roselyn was very keen to continue her studies and returned to the Solomon Islands in November 2015 to sit the National Exams where she topped the nation. In November 2017, Roselyn graduated from Betikama Adventist College in Honiara. Her achievements were Dux of Science and four distinctions for Maths, Chemistry, Biology and Physics. Roselyn always wanted to follow her dream to commence medicine and follow in the path of Cardiology. In January 2019 Roselyn commenced studying medicine at the University of PNG. Well done Roselyn and best wishes for the future, with love from ROMAC.
