President Jan's Weekly Words ...

President's News

Just a few words although I think most of you know, that I am going to hospital on Monday to have a hip replacement. All going well I should be back with you in three weeks' time. In the meantime PP Jean will be taking over the reins, so be kind to her.

I briefly mentioned last week that we are seeking for volunteers so we can continue with our very successful annual golf day. The more volunteers we get the lighter the load on the committee, so I would urge everyone of you to think what expertise you can offer. As I said before you do not need to know anything about golf as the day is run by the professional golfer at Castle Hill Country Club. I look forward to hearing from you.

Till next time.

Jan

At last week's meeting I was pleased to be able to stand in for President Jan who was unwell. Jan is shortly to undergo hip surgery and we wish all the best for a very successful result. We hope to see you back with us very soon Jan!

Destiny Rescue

We were joined at the meeting by Emily Bottomley, who is the NSW Business Development Manager for Destiny Rescue. Emily explained that her organization rescues some of the many children around the world who are trafficked or trapped in sexual exploitation. Rescued children are taken to safe houses where they sleep safely, receive education, vocational training, counselling and healthcare, spiritual guidance and, most importantly, love.

Past President Mentie had identified Destiny Rescue as one of the charities she would like to support during her year as President, so it was with great pleasure that we presented a cheque for \$1,000 to Emily for her organization.

The Philippines

The theme of helping others, especially children, was further highlighted when Liz Rupp gave us an excellent overview of some of the work which she and her team carried out in the Philippines last year. What they do is incredible given the circumstances in which they are obliged to work and the locals are very grateful for all the dental and medical treatment they receive.

The team will be heading off to the Philippines again in January 2020 and will be happy to receive any donations of tooth brushes and toothpaste to take with them.

Membership

As we all know membership of our Club is decreasing rather rapidly so on behalf of the membership committee Annette Waterson led a brainstorming session to try and identify occupational classifications which are not currently represented amongst our members. A list of over 40 occupations was identified. The membership committee will review this information to see how it can be used to boost our membership numbers.

Ours is a very vibrant Rotary Club and we want it to stay that way by inviting others to join us.

Annie and I will be "steering the ship" while Jan is away and will look forward to your company at the meetings and social events.

Past President

Community Update

Wet weather got the better of Oztag this week. So unfortunately there was no BBQ. Thank you to all of you who had offered to help.

The weekends of 25/26 Oct and 2/3 Nov will be huge for the club in terms of the number of volunteers that are needed to sell the Melbourne cup tickets, if you haven't already volunteered please do so, friends and family are welcome.

Jenny

Dear Sir/Madam

On behalf of the State President and members of the Country Women's Association of NSW, I would like to acknowledge and thank you for your recent contribution to the CWA of NSW's Disaster Relief fund. Your generous donation of \$1,000.00 has provided a much needed boost to the fund.

The CWA of NSW's Disaster Relief fund was established to provide assistance to those in need following natural disasters. Your donation will be used to help farm families in NSW who have been directly affected by drought and who are reliant on farming as their primary source of income.

Thank you again for your support and generous donation.

Yours sincerely
