

## **Notes of Neighbourhood Plan meeting Radford Sports and Social Club, Feb 13 2018**

**Present** – Olly Aries, Barbara Wyatt, Judy Steele, Brian Friar (arrived after start of meeting due to work commitment)

**Apologies** Brian Follett, Ed Coombes

Venue had to be changed because no key to Community Hall.

Note – need to make sure we arrange for someone to collect key if Brian Follett is away?

**Judy to be Olly's substitute while he is on holiday from 16 to 25 Feb**

### **1 Draft report from Kirkwells**

Olly had received comments from Barbara and Judy by his deadline, and has merged them and sent them to Michael Wellock from Kirkwells.

**URGENT ANYONE WITH ANY OTHER COMMENTS PLEASE SEND TO JUDY BY FEB 20 – she will amalgamate them and send them to Michael**

We also discussed many other points and here are the main ones:

- The separation area includes one extra field now, which Michael has approved.
- It was unclear how maps and tables would tie in together in the final draft
- We noted that there is now only one football team and that the post office and shop are now a combined business in one building.

- Barbara would like to include a footpath map, and noted that Whitnash's NP had aspirational paths linking it to our parish.
- Judy pointed out that with the ideas that people have for the limited space available at the recreation ground, and the increasing population with the new-builds, that we probably need to aspire to more space for recreation. We have suggested that the field below the Spring Lane development be set aside for this. **[Judy's thought, post-meeting - do we need to link the evidence from the consultation with this aspiration?]**

**ACTION:** Ollie to pass these comments to Michael

## **2 Consultation with community groups and businesses**

Brian has mailed and hand-delivered a large number of consultation letters but has had only one response.

**ACTION:** Judy will flag this aspect of the consultation on Facebook where possible

## **3 Draft plan publication**

We would aim to publish this by March 5 with a four-week consultation period.

It may be that the plan needs to be put into a publishing programme such as In-design to facilitate printing.

**ACTION:** Judy will ask her husband for a quote, for this and the printing, and of course other quotes are welcome

## **4 Number and whereabouts of paper copies**

We decided to print an initial 20 copies, with 2 copies per venue: Community Hall, Sports and Social Club, Parish church, Baptist church, shop, school, Sunbeams nursery, leaving a few spare copies.

We will put notices at the venues saying that the draft plan can be downloaded, with details, but that if 'if you cannot download a copy, or know someone who can't, please put a note in the box and we will provide a printed copy. We don't have a dedicated phone number and no-one wanted to share their number. We did not decide on any details of what the boxes would look like.

## **5 Community Feedback event**

The Hall has been booked for April 14 from 11.30 to 3.15. We will buy new banners.

**ACTION:** Judy suggested an evening drop-in at the Social club to reach a wider range of people. She will ask the club about this.

## **6 Finances**

The deadline for the next Locality Grant is March 1.

Brian was asked to put together a financial report for the group – Olly has circulated the financial information that he has

**ACTION:** Brian to produce a Treasurer's update as soon as possible. We need to apply for the Locality grant as a matter of urgency
