Just before the latest lock-down we managed to fit in a very successful Quiz Night

This provided a much needed feeling of normality and obviously certain rules needed to be in place

The Centre Bar was only open to competitors and teams of up to six people had to book their place to ensure we could provide the necessary social distancing

It was table service only and we could not provide our normal Table Quiz or nibbles nor run the popular envelope draw

It was however an enjoyable experience and one that we hope can be repeated before Christmas

Please see our Website for up-to-date information

### **Confirmed: Santa will visit St Faiths!**

Despite the huge number of cancellations this year, our elf-sources tell us the Santa will be visiting the village as usual on Christmas Eve; Covid-19 is no match for Christmas!

Santa is also still keen to visit the village as usual on his motorised sleigh in the week leading up to Christmas (19th December).

Preparations are being made for a magical isolation bubble, but there is still some work to do to ensure that both Father Christmas and his helpers can do this safely.

As soon as we get the go ahead, we will let the village know with planned routes and times, and of course, all necessary precautions.

## **HORSHAM & NEWTON ST FAITHS PARISH COUNCIL**

<b>Chairman</b>	<b>Mr Rodney Cushing</b>	<b>Tel:07850 756490</b>

	<b>e-mail: <a href="mailto:parishcouncil@jimgravesltd.co.uk">parishcouncil@jimgravesltd.co.uk</a></b>	

The Parish Council continues to meet “virtually” via Zoom on the usual third Monday at 7.30 p.m. The meetings are public and any resident can attend. Joining details for Zoom are published with the agenda on the website [stfaithspc.norfolkparishes.gov.uk](http://stfaithspc.norfolkparishes.gov.uk) or can be obtained from the Clerk 898621 [stfaithpc@gmail.com](mailto:stfaithpc@gmail.com)

At a recent meeting Rodney Cushing stood down as Chairman and Ray Browne was elected in his place.

The Parish Council has placed an order to convert all their streetlights to modern LED lanterns at a cost of £16,665. This will reduce electricity and maintenance charges considerably. This project is being funded by Community Infrastructure Levy monies received from the Lovell development off Manor Road.

Problems have been found with the surface lifting on the cemetery drive in Blind Lane. Discussions have been held with the installing contractor and these issues have yet to be resolved.

The Council were consulted on a proposed Solar Farm in Hainford and tabled an objection to the proposed traffic construction route which was from the A140 via Church Street, Crown Road and Spixworth Road.

At the time of writing New Holme Lane cycleway is closed to facilitate road construction off the A140 to serve the new recycling centre. The Council have asked NCC to try and find a safe option at the Cromer Road end so that this rout can be re-opened as an important link between St.Faiths, Norwich and elsewhere.

# ST FAITHS OVER 65 CLUB

**Meetings are held on the 2nd and 4th Wednesday in the month at the Mission Room and start at 2.00 p.m.**

Due to the Covid 19 situation there are no meetings at present. If and when things change and we can all meet again I will telephone you personally.

Sadly since the last Journal was published we have lost another two dear valued members of our Club.

**WILLIAM HOWES - known to us all as BILLY**

At one time he used to call the Bingo numbers.

He will forever be remembered as a cheery and happy man.

**COLIN HOWES**

A quiet, caring man who always liked a naughty tale.

Our thoughts and prayers are with their families at this very sad time.

As there were only a few people allowed at each funeral many people lined the roads as the hearses passed to pay their respects and I know this was very much appreciated by their families.

There is a waiting list of people wanting to join the Club so if you wish to have your name added please ring Val Purdy on 01603 897299.

As this is the last Journal before Christmas we should like to wish  
everyone

**HAPPY, HEALTHY NEW YEAR**

# GORDON BARBER

## **ST FAITHS PARISH CHURCH** **OF ST MARY AND ST ANDREW**

**The Church of England and the Methodist Church**  
**Worshipping & Working Together**

I am hopeful that by the time you receive this that we will be easing out of lockdown, once again. I hope that you have managed to keep well and have made the most of some quiet time at home.

What a year this has been! Invariably, as we approach the end of any year we take a look back at the things we've done, the people we've met, the places we've been and so on. I suspect that this year many of our memories will be of time spent at home, in the garden, out walking etc, with the vast majority of our conversations made over the telephone, or across the internet via things such as Zoom, Skype or Facetime. In many ways we have been on a steep learning curve as we have had to grapple with new technology simply to communicate beyond our homes. I do wonder what things might have been like without such technology this year. I guess that many more folks would have felt even more isolated and alone than was the case.

It has both surprised and frustrated me to hear, on several occasions, that Christmas has been cancelled this year. Of course, it hasn't, although the way we celebrate the season will be very different from our normal festivities. Everything has had to be scaled down, risk assessment forms have had to be filled in and complied with, family gatherings must be limited, and even our church services will be different. Attendance must be pre-booked to ensure maximum, safe capacity, carols won't be sung, to avoid spreading the virus, the church will be cleaned and sanitised between services and so on and so on.

However, there is one thing that hasn't changed, and that is what we are celebrating – The Birth of Jesus Christ.

All those years ago, God sent his Son into our world to bring peace, joy and love. Mary was chosen to be his earthly mother, and Joseph was tasked with being his father. They weren't rich, Joseph was a carpenter and worked hard for a living. Mary was a young teenaged girl. Due to the law of the day Joseph took Mary to Bethlehem, miles from their home in Nazareth, in order to register in his ancestral town for the national census. Bethlehem being a large City was crowded with families who had also come to register, and so it was that there was nowhere for them to stay other than a dirty, smelly stable at the back of an inn. It was there that Jesus, the Son of God, was born.

Although the people of that time were waiting and longing for the Messiah this was not what they were expecting. Only a very few people recognised him from the beginning; the shepherds, who were informed by the heavenly choir of angels, the wise men, who followed the star for hundreds of miles over probably a couple of years to meet him, Mary, Joseph and, when Jesus was taken to the Temple, Simeon and Anna.

Over the two millennia since that time many trillions of others have come to recognise Jesus and have followed his teaching of love and forgiveness. What we celebrate this Christmas is that. Jesus is still here among us in our homes and in our daily lives, and he still wants us to follow his example of love and forgiveness in our hurting, fragile world.

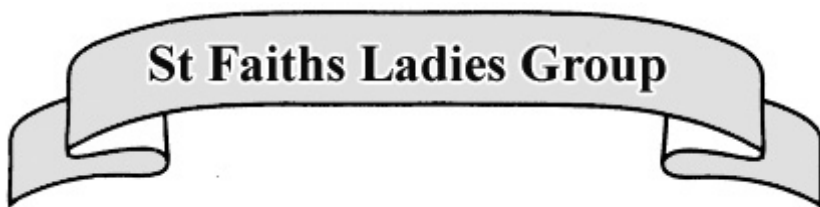

Whatever the size of our gathering, or the number of cards we receive or send, let's make this Christmas extra special in a new way and remember the reason for the season.

I wish you a happy, safe and peaceful Christmas.

With all good wishes and prayers

Rosemary Maskell

## **FINANCIAL HELP AVAILABLE**

***The St. Faiths Fuel Allotments Charity was established to help residents of the parish who are suffering financial hardship.***

If you are the head of a household or individual resident in Horsham or Newton St. Faith who is in real need of financial support, especially if resulting from the pandemic, you may be eligible to receive assistance. Grants are not restricted to the elderly or any other particular group.

The Trustees are about to allocate grant expenditure for the coming year and invite applications for financial assistance. If you need financial help to tide you over a difficult time of need and feel that you may qualify do please apply. People employed in full or part-time work are not normally eligible.

Grants would be made on the basis of an honest statement of your personal critical situation and financial position. Details supplied on the application form should include your name, age, address, telephone number, ages of dependants living in the household with you and details of any benefits or grants already received, if any. A genuine need must be evident to qualify for grants which are normally paid in Spring and Autumn each year.

Every application will be treated with the utmost sensitivity and information you need to provide will, of course, remain completely confidential. Application forms for aid may be obtained from and returned to the Secretary to the Trustees: Mr. Tony Howes, “Lamorna”, 55 Coltishall Lane, Horsham St. Faith, NR10 3HU (01603 897326) up to 31st January.

My last report in March announced that the Leagues were stopped owing to lock-down. Neither I nor the Team players have been able to play since, although limited practice sessions are beginning to happen. So far so good. but who knows what may happen tomorrow or next week.

I recently received our Norwich League strategy for the 2020/2021 season, if it is able to go forward.

I believe that the Dereham League and others are following the same policy “Table Tennis England have defined a five stage process that should be followed to return to a position where league play and spectating can take place.

As we(Norwich League move towards August many of you will be wondering if the league will start as is currently planned in September. Thank you to all of you who have provided us information regarding your teams and venues through the Part 2 forms and the Team and Venue Initial Risk Assessments. Summarising the information you sent us and also taking into account Government, Sport England and Table Tennis England guidance it is clear that:

- Some of the venues in our league will not be available for use in September
- The detailed guidance for both venues, leagues and players is still evolving and changing
- Clubs and venues will need time to develop and implement their own procedures which follow this guidance
- Some of our players are still not confident that it is yet safe to return to the table even to practice let alone to play competitive league games.

Taking all of the above into account, we have therefore made the decision that we will NOT be starting the NDTTL 2020-2021 season in September 2020 and our earliest PLANNED start date for league play is now January 2021.”

So, I fear I have little to report for this journal. The Centre had been booked for our Norwich AGM in May, but of course that event was cancelled, together with our Presentation Night for silverware and awards. This is always a good social evening to meet up with old adversaries !

A “virtual” AGM was conducted in May, although I did not join in on “zoom”, which I decided was a step too far. Little could be decided for the next season, and we need to wait and see how things progress towards an anticipated re-start next January.

I will keep you posted as the journals are resumed, and hope you are all coping as well as possible.

Paul Elsegood

## Christian Values

Our virtual collective worship with our Foundation Governor John Hindley, pastor of Broadgrace Church, has continued to grow in popularity. This half term, we are exploring the concept of the Holy Trinity and its meaning. We'll also be learning the story of Advent and Christmas as we head into December which I know will help us all get into the Christmas spirit during such strange times!

## Harvest Festival

Unfortunately, we weren't able to celebrate Harvest as we usually would this year. We are unable to visit the church and covid restrictions mean we can't sing or gather together to celebrate. With thanks to Miss Bean, we worked on something special for this year's harvest that we have uploaded to our school website. All children in school learnt Makaton – a unique language programme that uses symbols, signs and speech to enable people to communicate. You can view our video on our website, in the Church of England -> Collective Worship tab.

In addition to this, children were asked to donate non-perishable foods to the Norwich Foodbank. I was genuinely humbled by the kindness and generosity shown by our families. We incredibly filled two shopping trolleys with our donations, all of which will go to those in need.

## Black History Month

October was Black History Month. Black History Month originated as a celebration of achievements by African Americans but in recent years, Black History Month has expanded to include the history of not just African and Caribbean people but black people the world over.

At St Faiths' we celebrated famous Black figures from history, as well as exploring why all people should be treated equally. An example of this was our children in Key Stage 2 learning about Katherine Johnson, a black American mathematician who played a crucial role in the safe return of Neil Armstrong and his team after the first moon landing.

### **Children in Need**

This year has proven to us all that we need to adapt to new ways of doing things but thankfully, Children in Need offered a little respite from lockdown. Children came to school in non-uniform for a small donation and each class participated in some different activities based on this year's CiN theme of 'Five to Thrive'. In total we raised over £50!

### **Armistice Day**

On Wednesday 11<sup>th</sup> November, we remembered those who have given so much so we can live in peace. Again, it wasn't the same as in previous years, but the children, in their bubbles, learnt about Armistice Day and were incredibly respectful. Even our youngest children in Elm Class dutifully participated in the 2 minutes' silence, making Mrs Landles very proud.

### **Out with the Old...**

We have invested in some new basketball posts for the playground. The old ones have been removed and the new ones are in school ready to be assembled. We also have some table tennis nets and bats to try and enhance our bubble breaks. These have been available to the children for a couple of weeks now and have proven very popular! We are also awaiting news from the Friends of St Faiths' who have put in an application to Broadland District Council for a grant to buy even more outdoor equipment for the children to use. I hope to have news about this to share with you in the new year.

**From everyone here at St Faiths' Primary School,  
we wish you a very Merry Christmas and a prosperous new year.  
We look forward to sharing more with you next time!**

Head of School

### **CROWN MEADOWS**

It was interesting to read in last month's Journal how the naming of roads at the above development came about

However, the actual location of the suggested Mill is very questionable

The first Ordnance Survey Map of 1838 shows only two Mills in St Faith's a Water Corn Mill in Mill Lane and what was called a Smockmill next to what was the Union Workhouse  
(now the Crematorium)

This Mill was owned in the early 1800s by Stephen Ewing

In the Norfolk Chronicle July 1849 Stephen Ewing is recorded that this Mill together with his dwelling house, Grocers Shop and baking facilities is up for sale and again in the Norfolk Chronicle in July 1953  
(one assumes the first sale attempt failed)

It ended up being purchased by a Mr R Eglington who later died in August 1866 when a sale took place at the Black Swan in November of that year.

The Mill was then acquired by William Buckenham

No evidence has yet been discovered of any historic Mill behind what was the Crown Public House now Crown Garage

Unless of course you know different!
