Dear Ms Winsley *Cathy*

Re: \$4 million Local Government Priority Infrastructure Funding Round - Open

The Minister for Local Government, Hon Chansey Paech MLA, has recently approved the new Local Government Priority Infrastructure Fund (PIF). The PIF program is an application based grant program which enables councils to apply for funding for a range of local government infrastructure projects with an intended completion date of 31 October 2021.

Under the 2020-21 PIF program, \$4 million is available. There is only one funding round and applications should be for projects that are designed to boost amenity and community development, and which are consistent with council's annual/business plan. Your council can submit up to two applications. Please prioritise the bids. The value of the grant being sought should be made in the context of the \$4 million funding pool and exclude administrative or management costs.

The grant assessment process will look favourably upon those submissions where a co-contribution is offered and on proposals which involve a component of shared services. Joint applications with other councils are encouraged.

The final selection of successful applications will be made by the Minister for Local Government. All approved projects are required to be procured in accordance with the Northern Territory Government "Buy Local" policy.

There is an expectation that councils will be in a position to commence delivery of projects as soon as funding has been approved. If there are other factors such as Section 19 leases that are required before a project can commence, then this needs to be clearly noted in the funding application. The purpose for which funds are approved by the Minister for Local Government cannot be changed.

The PIF funding guidelines and FAQ Sheet are available on the Department of Chief Minister and Cabinet's webpage at:

<https://cmc.nt.gov.au/supporting-government/local-government/local-government-funding>.

All applications are to be submitted online via GrantsNT. Your council's registered contact officer will receive an invitation to apply through GrantsNT. Should you experience any technical issues with GrantsNT, please email lg.grants@nt.gov.au or call 8999 8576 for assistance.

Subject: Historical remains

Hi Cathy,

Following our our phone conversation last month, this email is to ask you and the Belyuen Council for permission for a group of four of us (who are listed below) and who are interested in the history of Cox Peninsula, to visit Belyuen at the beginning of next Dry Season – hopefully in April this year.

We are only interested in driving down to the creek and seeing and photographing historical remains of the old Delissaville settlement near the creek, the old pump station, and the old church on the other side of the creek. We have no desire to photograph anything else in Belyuen, and will respect the privacy of the settlement and will **not** photograph private houses, current buildings, or Belyuen residents etc. It's strictly historical ruins, and to record what's left of the old Delissaville church (and also the remains of the old landing further down the road). A few photos of the church may end up in the archives of the Historical Society of the Northern Territory where they will be available for future researchers to view. If you are interested I will email you any interesting photographs we may take, as well as a collection of old Delissaville photos I have already collected.

The four of us are:

Gus Withnall and Ted Whiteaker (both active members of the Historical Society)

Sue Chaplin (photographer, interested in history)

Darryl Withnall (long time resident of Wagait Beach, interested in history)

I spoke to a couple of Belyuen ladies recently who were very knowledgeable about the old history, and it would be really nice if one or two of them could come with us and show us any remains.

If the Council agrees to our request, I will contact you in April with a firm date. Many thanks...

Regards, Gus Withnall.
