## Window Reveal Screw

WSSFSQGW10080

- No more bogging huge holes.
- With its new discrete trim head design and type 17 cutter.
- Small trim head design leaves only the smallest hole to clean up. Leaving a nice tidy finish.
- Suitable for use on both window reveal installations and for screwing pre-hung doors.
- Finished in a Class 4 finish for added corrosive protection.

We recommend pre-drill hole in MDF boards to prevent splitting.

Installation is a breeze, check out the video!
