Planning your special day

Golf Broken Hill is a venue that strikes the perfect balance between intimacy, functionality and class. Located approximately 5km from the CBD with balcony views of the golf course, the golf club provides an atmosphere of privacy and exclusivity with two areas at your disposal: a fully equipped and air-conditioned function room and a lawn area, surrounded by a beautifully manicured golf course.

The upstairs function centre has been refurbished and provides a welcoming atmosphere for your special day

Golf Broken Hill Inc can comfortably accommodate up to 180 cocktail guests or 200 seated. A large parking is available on-site.

The outside lawn area, downstairs to the function room, is the perfect setting for your wedding ceremony or evening drinks before dinner.

A wedding ceremony on the golf course itself provides another opportunity for the bride looking for something different
