THE NOMADIC CHRONICLES

"WITHOUT FREEDOM OF CHOICE, THERE IS NO CREATIVITY"

All hands, this is the Captain!

October is my favorite month of the year. I love Halloween and the changing /falling leaves.

This month our membership has grown again. We are up to 19 members and 2 signing up as I write this for a total of 21!

The winner of last months recruiting contest was Lt. Walter. Bringing 2 members onboard.

On the 26th of September, our clubs first community event was completed. We had 8 members walk in their communities and had the USS Septarian and USS Vector Captains walk in their communities as well Regional event. We raised approximately \$400 for that specific event.

This month's crew contest is for a logo for the ship and SWAG items. The prize is a Comm Badge.

We had our first virtual meeting with 7 members attending.

We are still looking for a host for trivia night. All social media platforms are being utilized nicely but a game night once a month or so would be a lot of fun.

On November 23rd, we are being commissioned. That evening we will have a brief meeting to celebrate.

I intend on having a brief ceremony over discord now or zoom as hopefully we can wear our uniforms and such. The opportunity to have a live meeting is not feasible due to COVID 19. I am looking for volunteers to help me set this up. And on that note. Keep up the good work, this is your club, have fun!

Captain Out.

My dad just came into my room and shouted at me in Klingon.

Am I more embarrassed that he did that or that I know he said I was a disappointment to the empire?

You should be most embarrassed that you're a disappointment to the empire.

Crew Spotlight

This month we have the distinct pleasure of having our Commanding Officer in the spotlight. Commander Ehl or should we say Commander “Payback”...?

NAME OR NICKNAME:

My Star Fleet Marine Callsign is “Payback”

WHAT'S YOUR FAVORITE TV, MOVIE, OR BOOK QUOTE?

My favorite TV show is the original Battlestar Galactica. With Lorne Greene, Dirk Benedict and Richard Hatch.

COFFEE OR TEA?

Coffee/Black

WHAT'S YOUR FAVORITE SEASON OF THE YEAR?

Fall. I enjoy the warm days and cool evenings. Plus the sky seems very clear at night

IF YOU COULD HAVE AN EXOTIC/FICTIONAL ANIMAL AS A PET, WHAT WOULD IT BE?

None. Stick with dogs. Always had them. Huge fan

DO YOU HAVE A LIFE MOTTO?

Opportunity comes when you don't want it or expect it, otherwise it would be a plan. Watch for your opportunity.

IF YOU COULD LIVE ANYWHERE IN THE UNIVERSE (INCLUDING THE STAR TREK UNIVERSE), WHERE WOULD YOU BE?

On a Starship. Enterprise E. Something Big.

WHAT FICTIONAL CHARACTER DO YOU RELATE TO THE MOST?

As far as I can remember back I liked being the main character in the story. Playing Star Trek as a kid, I was Kirk. Superheroes, I was Batman. As I grew older and participated in sports, I was always a Captain or assistant Captain. In my career I was in Leadership roles.

So was it one character, or was it the concept of being the leader?

WHAT ACCOMPLISHMENT(S) ARE YOU MOST PROUD OF?

Children. Both very good people as they mature.

WHAT LED YOU TO STARFLEET?

As I am retired, I joined hoping I would have to enjoy the courses and learning opportunities. As well I had always said I would help other people when I retire, not keep working. So through this medium I am able to draw positive attention (Trek) to us visually and through media, and hopefully help some worthy causes. A bonus I must say to it, is meeting some fantastic new people through Trek that I would not have had the opportunity to cross paths with otherwise.
