### **Church building development progress Phase 1**

**Week 1:** The FIJ Building Contractors of Ashburton have set up site and have demolished the existing half brick walls by the door, excavated the existing strip foundation, cut tarmac for drainage runs to soak away.

**Week 2:** They have excavated new foundation and concrete, laid new drainage, inserted manholes and back filled, and installed new strip foundations.

**Week 3:** They have reinforced the area that was sinking in the car park to avoid further damage in the future, started building the porch, removed the carpet tiles in the aisle and fixed the skirting board to the walls to prepare it for painting.

They hope to finish, if everything goes well, the week before Christmas.

### **Commemoration of the faithful departed**

The Church offers the Eucharistic sacrifice and its own intercessions for the dead not only at their funerals and anniversaries but also in the yearly remembrance of all the sons and daughters of the Church who sleep in Christ. The Church seeks to help the faithful departed by earnest prayer to God for the entry into the communion of the saints in heaven. In this way, because of the communion of all Christ's members with one another, the Church obtains spiritual help for the dead and brings the consolation of hope to the living (Ceremonial of Bishops 395).

### **Legacy**

We have recently received a donation of £500 (five hundred) from the estate of Joyce Whiting, of Whimple who died recently. Let us pray for her eternal repose.

### **Why are we building an outside church porch?**

- To increase the room capacity of the church.
- To make it obvious that it is the main entrance to St Anthony's.
- To be more 'respectful' of the health and safety rules and regulations inside the church building.
- To be able to open the inside and outside double doors, when necessary, without causing so many little problems.
- To help create a quiet and prayerful atmosphere once inside the church before Services.
- To have easier access to open windows, water plants and light candles in window sills.
- To welcome people before they enter the church.
- To expand the space available for umbrellas, notice board and display of newspapers, magazines, newsletters and other publications.
- To keep the Clergy under cover when they dismiss the congregation as they go out after Mass and other Services.

*A God, you call us out of darkness. May we hear your voice in the cry of our brothers and sisters in crisis. As you walk alongside us always, may we walk beside one another listening and responding in love. Shine the light of your compassion through us dispelling chaos, fear and despair. Breathe hope and courage into all our hearts as we work together to rebuild once more. Strengthen us, Lord, and keep us steadfast. Bring healing and comfort to all and lead us renewed into your marvelous light. We ask this through Christ our Lord, Amen.*
