Things to pray for this week

Pope Francis' intention for December: For life of prayer. We pray that our personal relationship with Jesus Christ be nourished by the Word of God and a life of prayer. See also <https://thepopevideo.org/>

2nd Week of Advent: As we ponder the hope found in the second coming of our Saviour, we pray for all those in need of hope. We pray especially for those contemplating having an abortion, that they would be reminded of the hope God brings and His fundamental desire for our good. We pray also that as a society we would become channels of God's hope, providing support to all pregnant women

Mass attendance

The overall Mass attendance the week starting 10 to 16 August was 40 people.

The overall Mass attendance the week starting 7 to 13 September was 40 people.

The overall Mass attendance the week starting 5 to 11 October was 35 people

The overall Mass attendance the week starting 19 to 25 October was 42 people

The overall Mass attendance the week starting 26 to 1 November was 46 people

Gift Aid Scheme

The boxes with the weekly envelopes are available for those in the Scheme. If you would like to be included in it, please let Fr Frank or Pat Gough know about it.

Confessions

If you would like to receive the Sacrament of Confession, please see Fr Frank after the 9.30am Mass.

Church building development progress Phase 1

Week 1: The FIJ Building Contractors of Ashburton have set up site and have demolished the existing half brick walls by the door, excavated the existing strip foundation, cut tarmac for drainage runs to soak away.

Week 2: They have excavated new foundation and concrete, laid new drainage, inserted manholes and back filled, and installed new strip foundations.

Week 3: They have reinforced the area that was sinking in the car park to avoid further damage in the future, started building the porch, removed the carpet tiles in the aisle and fixed the skirting board to the walls to get ready for painting.

Week 3: We haven't seen much progress this week.

Week 4: They have almost finished the porch brick work, formed top half of porch timber structure, installed timber posts, erected scaffolding, put new central heating pipes and radiators in the nave and started painting the room.

Week 5: They have stripped the roof slates, installed roof trusses, new lead valleys and covering, run cables for new lighting, and progressed with the painting and porch roof covering and interior development. They hope to finish, if everything goes well, the week before Christmas.

Received from our Church Insurance

Recently we received £9.154.08 for the works not done and the carpet, as we were undertaking extension works this year.

Public Masses

Public acts of worship have now resumed and will continue regardless of which tier we are in. The obligation to attend Mass remains suspended - if you do not feel safe coming to Mass then please stay at home and don't worry – there is absolutely no requirement for you to attend Mass in person.

Why are we building an outside church porch?

- To increase the room capacity of the church.
- To make it obvious that it is the main entrance to St Anthony's.
- To be more 'respectful' of the health and safety rules and regulations inside the church building.
- To be able to open the inside and outside double doors, when necessary, without causing so many little problems.
- To help create a quiet and prayerful atmosphere once inside the church before Services.
- To have easier access to open windows, water plants and light candles in window sills.
- To welcome people before they enter the church.
- To expand the space available for umbrellas, notice board and display of newspapers, magazines, newsletters and other publications.
- To keep the Clergy under cover when they dismiss the congregation as they go out after Mass and other Services.

Prayer

A God, you call us out of darkness. May we hear your voice in the cry of our brothers and sisters in crisis. As you walk alongside us always, may we walk beside one another listening and responding in love. Shine the light of your compassion through us dispelling chaos, fear and despair. Breathe hope and courage into all our hearts as we work together to rebuild once more. Strengthen us, Lord, and keep us steadfast. Bring healing and comfort to all and lead us renewed into your marvelous light. We ask this through Christ our Lord, Amen.

Bishops issue updated statement on COVID-19 and vaccination

Thursday, December 3rd, 2020 @ 3:46 pm

On behalf of the Bishops, the Department for Social Justice of the Catholic Bishops' Conference of England and Wales has issued a follow up to its September 2020 statement – COVID-19 and Vaccination (24 September 2020).

The development of a vaccine against COVID-19 presents an important breakthrough in protecting others as well as oneself from the virus; a virus which has not only caused a global pandemic and led to a huge loss of life but has also placed a great burden on healthcare workers and systems.

Each of us has a duty to protect others from infection with its danger of serious illness, and for some, death. A vaccine is the most effective way to achieve this unless one decides to self-isolate.

At present, debate concerns the use of the vaccines developed by Pfizer & BioNTech, Moderna, and AstraZeneca. Some have questioned the use of the Astra Zeneca vaccine since it has been developed from cell-lines originating from the cells of an aborted foetus in 1983.

The Congregation for the Doctrine of the Faith and the Pontifical Academy of Life have expressed the view that one may in good conscience and for a grave reason receive a vaccine sourced in this way, provided that there is a sufficient moral distance between the present administration of the vaccine and the original wrongful action.

In the COVID-19 pandemic, we judge that this grave reason exists and that one does not sin by receiving the vaccine.

Both the Pfizer & BioNTech and Moderna vaccines have a different source since they are mRNA-based vaccines. On 2 December 2020, the Pfizer & BioNTech vaccine was approved for use in the UK.

Each Catholic must educate his or her conscience on this matter and decide what to do, also bearing in mind that a vaccine must be safe, effective, and universally available, especially to the poor of the world.

Catholics may in good conscience receive any of these vaccines for the good of others and themselves. In good conscience, one may refuse a particular vaccine but continue to have a duty to protect others from infection.
