Week of Prayer for Christian Unity

Sadly it has not been possible this year to make arrangements with local churches to have a Meeting together in one building for the Sunday joint service, from 18th January 2021, because of the Covid-19 restrictions. It is not possible but we can continue to remember our fellow Christians in our prayers. The theme that has been suggested nationally this year is "Abiding in Christ" with materials provided by a community in Switzerland and these materials can be seen at Christians Together in Britain using this online link: [https://ctbi.org.uk/week-of-prayer-for-christian-unity-2021/?ct=t\(CTBI_Monthly_Newsletter-Dec2020\)](https://ctbi.org.uk/week-of-prayer-for-christian-unity-2021/?ct=t(CTBI_Monthly_Newsletter-Dec2020))

Caritas – support for individuals

Caritas Plymouth has updated their list of grants that people might find useful if they are struggling. This will be shared this via their website. Here is the link <https://www.plymouthdiocese.org.uk/wp-content/uploads/2020/11/Covid-19-Support-for-Individuals-November2020-Update.pdf>

Why have we built an outside church porch?

I could give you more than ten reasons, but I leave it to you to work it out when you see it. You decide for yourself if it was worth all the effort and cost (we still don't know the total figure).

Church building development progress Phase 1

Week 9: The builders, FIJ Building Contractors of Ashburton, vacated the site on Tuesday 22nd December for their Christmas break until 4th January.

Week 10: The electrical work was almost finished, roof tiling half done, door locks fitted, painting of porch area almost completed and a small radiator put in place by the window.

Week 11: The floor tiles have been laid in the outdoor covered area, the painting is all nicely done, the boiler fitted with a new and more powerful pump, the roof tiling finished, and the site has been cleared of most building necessities.

Week 12: It should be a happy week, work will be completely finished by Tuesday 19th January, hopefully: the scaffolding will finally be taken down, some odd jobs done and the building crew will move to a new venture. And when all that is a reality, your Parish Priest will have a nice drink to the health of all our parishioners.

Things to pray for this week

Pope Francis' intention for January: · Human fraternity – may the Lord give us the grace to live in full fellowship with our brothers and sisters of other religions, praying for one another and open to all. See also <https://thepopevideo.org/>

Octave of Prayer for Christian Unity 18th – 25th January: For unity among the Churches, a unity founded upon truth and compassion. For the Churches to find a common voice, to speak on matters that affect the whole of society.

Vaccination: an ethical action

Responding to a question from Canale 5 journalist Fabio Marchese Ragona regarding vaccinating against the coronavirus, the Pope says, "I believe that ethically everyone must take the vaccine." "It is not an option; it is an ethical action, because you are playing with your health, you are playing with your life, but you are also playing with the lives of others." He explains that, in the next few days, vaccinations will begin in the Vatican and he has booked himself for it. "Yes, it must be done," he stresses, adding, if the doctors say the vaccine is safe and does not present "special dangers" to someone, then they should take it. "There exists a suicidal denialism in this which I cannot explain," the Pope said. He added that it is time to "think about the 'we' and erase for a period of time the 'I', putting it within brackets." "Either we are all saved together or no one is saved."
