

Hi again,

Hopefully this text will go through as my other was way too long and I had to send it in an email. As far as events go... we will do our awards and honor roll ceremonies via Facebook live and each Thursday night at 6:00 pm we will continue with chapel. Pre K, K, and 6th grade graduations will be held using technology. We want to always acknowledge our kids and they will have other times to walk across our stage.

Senior graduation will be done whether it's in June, July, or even August. I feel it is very important for those seniors to walk across that stage since they will not have a chance again. Keep watching the facebook page and schoolworx for all you need to know.

Thank you for your support!
