"And be kind to one another, tenderhearted, forgiving one another, even as God in Christ forgave you." Ephesians 4:32

Volume 2, Issue 7

.....For The Upcoming School Year

The 2021-22 school year will usher in Mrs. Roach's 5th year as principal of CCCA. Every year she asks the Lord to guide her and give her a theme for the year. She plans for the faculty and student body to develop a growth mindset. Whether it be personal, spiritual, academic, or professional growth, everyone can improve. The plan is to push forward with a focus on improving ourselves in all areas for the glory of God.

You Are A Forgiven Person

Live In Light of This Knowledge

Imagine it. A priest comes running down into the center of Jerusalem holding a lamb above his head, and he says, "Look! Eureka! I found it, the perfect spotless lamb. Of course they would all congregate and inspect that animal. If that animal were ever truly perfect and spotless and blameless, you know what they could do? They could shut down the temple. They could fold up the tabernacle. They could say they finally found the perfect sacrifice. But that never happened. That never really happened for Israel. Or did it?

Wasn't it John the Baptist that said, "Look! The Lamb of God who takes away the sin of the world." You know what that means? It means we can say there is no further system for forgiveness. The cross worked. The perfect Lamb of God brought total forgiveness so that we can shut down the temple and fold up the tabernacle and get rid of any system for getting further forgiveness.

In Christ, we have been forgiven of all of our sins once for all because of the perfect Lamb of God. Are you celebrating the perfect work of Jesus Christ? Are you still looking for more to be done? Do you realize the one and only sacrifice that was ever needed has taken place and now you can look back on the finished work of Jesus Christ and say, "WOW and thank you! Thank you God that I am a forgiven person, once for all and it needs no repeat."
