## Necronomicon Cookbook: Lovecraft Country Fried Horror by Sean-Michael Argo

Lovecraft universe. The Necronomicon book that we have at my house actually includes several of the stories, rather than functioning as a textbook. The famous horror writer has filled his stories with creatures, magic, cults, and more, and his writings have led to numerous spin-off games, movies, television episodes, and music. This cookbook looks like a work of art. The cover looks like an old and expensive textbook, with raised designs and gold writing. The ingredients and instructions themselves are typed, however, to make sure you can read it. Beyond just looks, great detail was put into making the text sound like it is straight out of one of H. The second half of the cookbook has the recipes re-written in plain English.
