

Recruitment, Consultants, and Executive Search Services

J2R VETS, LLC, specializes in all phases of the ever-evolving recruiting arena. We offer professional Direct Hire, Contract-to-Perm, and straight contractor options for opportunities both CONUS and OCONUS. We specialize in Government contracting and have extensive experience staffing cleared (up to SCI /Yankee White) positions. In addition, J2R VETS has the added experience in sorting out the intricacies of staffing internationally for U.S. corporations.

We thrive on tough to fill opportunities! Our Recruiting Team uses our industry contacts and networking capabilities to search, source, screen, and deliver superior candidates in a timely manner based on your specific requirements. We understand time is money - by deploying the J2R VETS staffing team we help you meet your goals and save you money.

Why J2R VETS

- Client first mentality – we work with you and for you
- Seamless client-to-recruiter order intake process
- Customized recruiting approach including networking and social media
- Strong Diversity base to satisfy compliance requirements
- Recruiting industry experts
- Strong focus on quality not quantity – we get it right!
