

# DEAR FRIENDS,

A lot has happened in the last few months. We appreciate your interest and prayer for this ministry and what the Lord is doing in our part of the world.

## APRIL: THE BIG MOVE

After being in one house for around 3 years, we felt God leading us to move. One of the biggest reasons being the closure of the Christian High School and the opening of a home school group. Our current home did not have that kind of space and so the search for a new home began. The Lord clearly directed, and we are now in a very spacious home that has been very practical for the current ministries that the Lord has allowed us to have. Even though the rent is double that of the other house, we continue to trust God for the extra funds. We praise Him for graciously provided our needs. Homeschool, English classes, Music classes, are all held in the “garage” that functions as a school room. Also the spacious living area allows for lots of company, and also privacy for the family as visitors arrive at any given time. The many rooms have been used multiple times for company, which we so enjoy. Thank you for praying for us during this time. Pray that the Lord will allow us to continue to use this home to further His kingdom.

## JULY: VERY BUSY

July has been a very special and very busy month. We had a mission group come from the Christian University in Mexico (UCLA). What an amazing encouragement as they ministered in evangelism, teaching and music. Another Mexican team stayed the whole month and were an amazing example of service. On July 22 our family celebrated a very special moment with our daughter Bethany as she celebrated her 15<sup>th</sup> birthday. During the special service Bethany made a promise of purity and was given a special ring to remind her of that promise. Thank you for praying for our children as they continue to grow that they would learn to love Jesus.

## AUGUST AND FUTURE PLANS

Please pray for 6 students who are looking toward going to Mexico to a Christian University. Pray that the Lord would provide their needs and prepare them in every way to serve Him. This month in the last Bible quizzing on Ephesians. We thank God for the kids who have participated and have hid The Word in their hearts. Mission month (September) is around the corner and we will be highlighting the jungles of Peru. It will be a special time of remembering and praying for the many people who have not heard from that corner of the world.

## MOM MOMENT

Maybe you wondered what a normal meu looks like in our house. Usually we divide the week by countries. We have a Peruvian day, a Bolivian day, a Mexican day, and sometimes a Chinese day. We usually eat a lot of chicken, and are trying, like most people, to include more vegetables and fruit in our diet.

Family life continues full speed ahead with school, soccer, and music lessons. We appreciate your prayers for our family and ministry here in Urubamba. God is faithful. Blessings.
