SPRING IN OUR STEPS FOR SOULS **FEBRUARY & MARCH 2019**

GOOD NEWS FROM A FAR COUNTRY..

Pastor Josias Almeida just informed me that during the Family Spiritual Retreat, one young man, Lucas, received Christ as Savior. Pastors in other areas of Northern Brazil have contacted us about souls being saved both in February and March. Thus we are joyful and praising God. Please be in prayer also for Pastor José Moraes that God will encourage him with souls being saved.

HEALTH NEWS...

We covet your prayers that God will give us the necessary strength to be used of Him in all that He has for us to do and to accomplish. While Mary will always have multiple health issues, some of which cannot be dealt with surgically without greatly endangering her overall health, she prefers to live with these things on the field. So please pray that God will even use these difficulties to encourage our Christian brethren in Brazil.

PROVISION FROM GOD...

As we look at the past 12 months of traveling, reporting and giving testimony in our supporting churches, we see how marvelously God has and is providing our needs, past, present and future, through generous Christian brothers and sisters in our supporting churches. And, how wonderful it is that our precious Lord works in and through His people to do His will and promises to supply all of our needs according to his riches in glory by Christ Jesus. As we prepare for our return trip to Brazil in just a few weeks, we ask that you pray for God's provision for us to purchase a few basic pieces of furniture. Most everything we had before was very old and was either donated or disposed of before coming to the United States for this furlough. And we are so very grateful to Almighty God that, through you, He has never failed in His supply of our living and ministering day by day. To our Savior and Lord Jesus Christ be all Glory, Honor, Praise and Blessing now and forever. Thank You and Thank you!

In Christ, our soon returning Redeemer,

Bill and Mary
