

Dear Praying friends and supporters:

It is a beautiful time of year as we remember that we don't serve crosses or images made of ceramic or pieces of cloth but that we serve a risen and

very much alive Christ! We have been through a lot of changes in the last few months but through it all we have the very real sensation of our Savior being very much beside us.

Heroes of Faith Christian School began classes with kindergarten up to second grade. We have official

permission up to that grade and we hope to get permission for up to 6th grade next year. We ask that you continue to uphold this ministry in prayer and for Pastor Humberto that is leading this ministry.

Our home school group has 13 children from pre-kindergarten (Emily) to the last grade in high school. It has been a privilege to serve these children and their families, as we desire to train and teach them to love God with all

their heart, mind and soul. Please pray for wisdom and strength in this area. Pray for Ana Isabel and Barak, as they have not yet received Jesus as their Savior.

English classes have begun and we have been able to reach out to many unsaved. Please pray for Nicolas and Alfredo who have been faithfully attending that we would have opportunity to witness to them.

Homeschool group

The biggest news is that the church has officially moved. The old building in the middle of town was literally about to fall down and for safety reasons we have had to move to the Seminary property. We are using the Seminary chapel and our school buildings for Sunday school etc. It has been a big change but we have accepted it as part of God's will. We have been enjoying the extra space of a larger church auditorium and the orchestra sounds great with the autistics. There have been potential buyers for the old church property and we continue to pray for a quick sale so that we can begin construction on our church building.

Panorama of the Sunday morning church service

Sam continues to work full time at the Seminary. He really enjoys it and is

Sam translating for Pastor Anderson
at the seminary

being used of God in a special way in that capacity. Please pray for him that God would continue to use him and give him special wisdom that he would make wise decisions to further God's work in that place.

We are excited about the men's prayer

breakfasts that have begun again on Saturday

mornings. Beth has begun a ladies Bible study and is enjoying discipling and getting to know the ladies a little better in that way.

We will be in the States for our next
furlough in July of 2020. We are

looking forward to updating you and reuniting with family and friends. If you have a mission conference planned we would really enjoy being there. Please let us know as we begin to plan this special time.

Church orchestra

We really appreciate your prayers on our behalf. Please pray for our family and ministry that God would direct and bless our efforts as we seek to serve Him with

our whole being. God bless you,

The Rojas Family
