
STATEMENT OF FAITH

We believe in:

1. The verbal inspiration of the Bible.
2. One God, existent in the Father, the Son and the Holy Spirit.
3. The virgin birth, sinless life, substitutionary death, bodily resurrection, and the personal, literal, visible return of Jesus Christ.
4. The total depravity of man, brought on by choosing sin, as described in Genesis 3.
5. Salvation by grace through faith in Jesus Christ.

SCHOOL CLOSINGS

Bad weather may force the school to close from time to time. We have found that because people come from such great distances, we are prone to close school more readily than state schools.

It is always your choice whether to bring your child to school. If you are not coming, please text the Pastor as soon as possible.

Whenever possible, school closings will be announced by 8:00 p.m. the night before the cancellation. School will not be canceled just on the forecast or prediction of bad weather.

If we are unable to announce closings the night before, you will be notified by 7:00 a.m. with a text from the school.

On days the state (public) schools close due to inclement weather, we will also cancel school.

All vehicles parked on the church lot must have liability and comprehensive insurance.

Students may not be in their car during the school day without permission from a staff member.

Students may not drive other students to school functions without permission from both sets of parents.

Driving privileges may be suspended if the driver is careless in his/her driving manner.

SUPPLIES

All school supplies (folders, lunchboxes, etc.) and clothing should be free of any offensive material. The staff retains the right to determine if something is "offensive."

TELEPHONE USE

Students may use the telephone during his/her break provided he/she has permission from a faculty member. Phone calls should be local and kept to two minutes in length.

UNIFORM AND DRESS CODE STANDARDS

The Parent Policy Board developed the uniform and dress code standards out of a desire to please and honor God in appearance. The regulation of clothing is an extremely personal and sometimes difficult issue. It is our desire to not battle with a student and family because of a worldly and indecent appearance. As a reminder, all staff members are expected to monitor appearance and are authorized to make initial decisions about the appropriateness of any clothing item or accessory worn to school.
