Class 45 7 years and under (Ride a Cock Horse)

*Ride a Cock Horse, to Banbury Cross
To see a fine lady, upon a white horse.
Rings on her fingers, and bells on her toes,
And she shall have music, where ever she goes.*

Class 46 8 to 12 years (Wind on The Hill by A.A. Milne)

*No one can tell me,
Nobody knows,
Where the wind comes from,
Where the wind goes.*

*It's flying from somewhere
As fast as it can,
I couldn't keep up to it,
Not if I ran.*

*But if I stopped holding
The strings of a kite,*

*It would blow with the wind
For a day and a night.*

*And then when I found it,
Where ever it blew,
I should know that the wind
Had been going there too.*

*So then I could tell them
Where the wind goes....
But where the wind comes from
Nobody knows.*

Class 47 Adults (Water and Sky by Curtis Moorman)
(ink or fine line pen to be used – not biro)

*As a child, I learned a saying
It still remains with me
Since lazy, warm summer evenings
Up in the sky I'd see.*

*A huge white moon shining bright
And it always intrigued me
And I would say of this the sight
God bless the moon, and God bless me.*

*As an adult on the Island of Oahu
I would see a moon shining down
Upon an ocean of blue
With waves making a gentle sound.*

*Causing memories of chidhood days
When only the moon I could view
But there on grand display
I can see the ocean too.*

*Seeing them together made me realize
That our Creator so grand
Placed such beauty before our eyes
And utter awe I would stand.*

*Watching this gorgeous display
I offered praise to God above
Who created the two in array
For me to view and to love.*
