

Facilitating Transitions in Practice for New Nursing Leaders

Presented by Elaina Robinson, MSN, NPD-BC

Friday, June 12th, , 2020 at 12:00 PST

Webinar Series Provided by ANPD WA, an affiliate of ANPD

Elaina Robinson is the Director, Nursing Professional Development at Seattle Children's. She is certified in Nursing Professional Development and an active member of ANPD national and local chapters. She also serves on the ANCC Content Expert Panel for the NPD certification. For nearly 10 years, Elaina has focused her practice on NPD, with an emphasis on transition to practice programs, competency evaluation, innovative learning strategies and simulation. She has presented on these topics at the regional and national level. Elaina lives in Seattle, WA with her husband, two teenage daughters and two spoiled pups. In her spare time, she loves to cook, travel and spend time with her family.

Target audience: NPD practitioners, RNs interested in NPD specialty, nursing leaders

Learning Objectives:

- Identify common challenges in new nurse leader development during role transitions.
- Discuss the NPD role in implementing strategies for supporting role transition across a variety of leadership roles.
- Examine one organization's implementation of a transition to practice program for novice professional development practitioners.

Contact Hours: Provider approved by the California Board of Registered Nursing, Provider Number 16541 for 1.0 Contact Hours (pending).
